Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world.

Fashion is very important. It is life-enhancing and like everything that gives pleasure it is worth doing well.

expression

Fashion you can buy
but style you possess.
The key to style is
learning who you are
which takes years.
There's no hour-to-road
map to style. It's
about self-expression
and above all, attitude.

Levisha®

You can never
take too much
care over the
choice of your
shoes. Too
many women
think that they
are unimportant,
but the real
proof of an el-
egant woman is
what is on her
feet.

"I think fashion
can do a lot.
Fashion is very
popular so it can
help broadcast a
message and reach
a new generation."

Levisha®

What's my style is not
your style and I don't
see how you can define
it. It's something that
expresses who you are
in your own way.
