

"What's my after-school girl style, and I think to be your style it's something that's unique
 and your style is your own style."

*"What is the best thing you've done? It's not in a shopping bag, it's not in a suit bag. It's something
applied from one word to the whole world." - one word.*

"As long as you are happy, that's all that matters.
The key to life is knowing when to stop.
When to stop means that you know the road,
and you know the way. It's about self-respect and
knowing when to stop."
