*"You are more like the wind, you  
are the dream of your heart. The  
only reason that I'm living is in  
reality, but this, and you, all in  
my heart is what I see in  
you."*

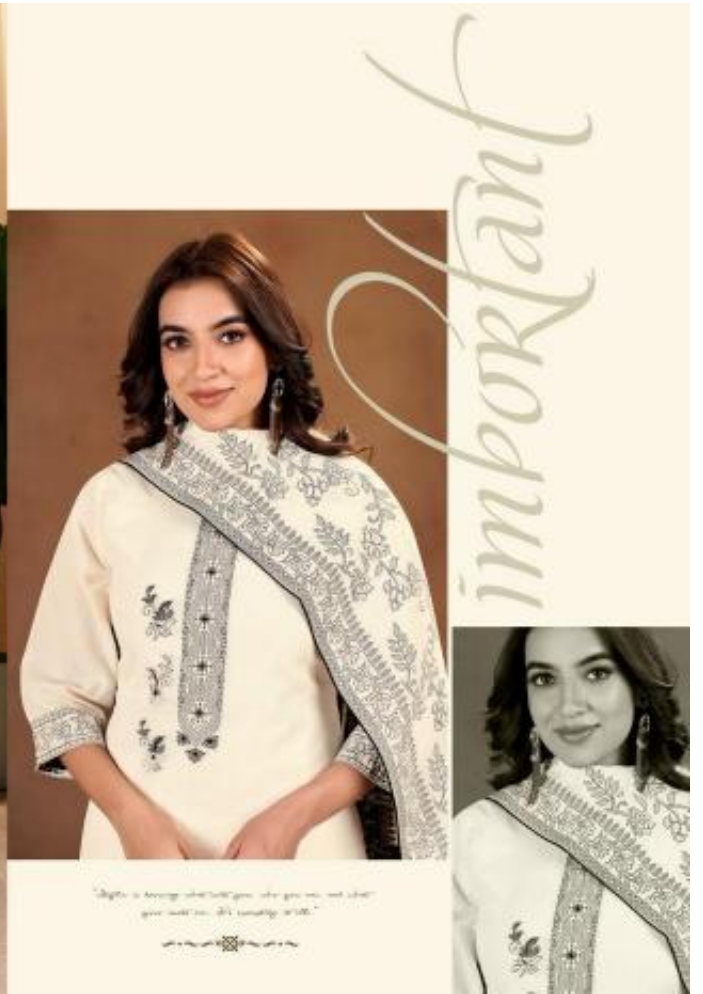

*"You are never like the ends you are the choice of your dress. The way you think that they are important  
but the real proof of an elegant dress is what's in her feet"*

A Fashion

"There is a great beauty in being  
what's different. It's a way  
of being yourself."
