SOFT SUMMER CODE

PRM[®]
Trendz

13091

Summer unfolds like a golden sunset – warm, weightless, and full of quiet beauty. Fabrics drift like a gentle breeze, brushing softly against sun-kissed skin, while vibrant blooms like ripe orchards color radiant skin. Every silhouette moves with ease, every detail whispers richness. This is not just a season, but a feeling – slow, luxurious, and endlessly alive.

GOLDEN HOUR WEAR

13090

crafted for golden days and soft
evenings, where fabrics
breathe in
lighter as the evening air

rooted in tradition and elevated with contemporary grace, this summer collection embraces airy fabrics, delicate craftsmanship, and vibrant seasonal tones, from soft cotton drapes to intricately detailed ensembles; each design is created to celebrate comfort, culture, and effortless sophistication under the Indian sun.
