VOL-35

"Fashion is part of the daily air and it changes all the time, with all the events. You can even see the approaching of a revolution in clothes. You can see and feel everything in clothes."

"What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way."

1156-002

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning . It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes.""

1156-003

"In order to be irreplaceable one must always be different."

REFLECTED
FROM OUR SOUL
"Style is the only thing you can't buy. It's not in a shopping bag, a label, or a price tag. It's something reflected from our soul to the outside world—an emotion."

"What you wear is how you present yourself to the world, especially today, when human contacts are so quick. Fashion is instant language."
